range and accuracy

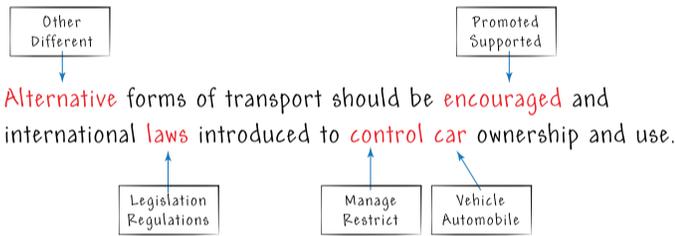

Learn synonyms to demonstrate range of vocabulary

Here are a few tips to improve your vocabulary:

Good knowledge of synonyms will help you in all IELTS papers

Don't repeat words from the exam question

When analysing your Task 2 exam question you can brainstorm synonyms for the key words in the question and use these throughout your essay answer. Especially avoid repeating key words from the exam question.

Less common vocabulary

less common vocabulary

Use less common vocabulary to be more precise in meaning – for example these words appear similar but have subtle differences in meaning:

- Teacher
- Instructor
- Coach
- Facilitator
